Official Bio:

If you like Alanis Morissette, Brandi Carlisle, and crying in public, you're going to love Girl Blue. Writing deeply emotional songs with strong singable hooks, singer-songwriter Arielle O'Keefe is absolutely one to watch.

She's been featured on top Spotify playlists (New Music Friday) and charts (#2 on US Viral Charts), in national commercials, and on top blogs like the Huffington Post. She has received 7 Thomas Edison Music Awards, twice receiving Songwriter of the Year and Solo Act of the Year. It's been said "she...has the kind of spark that makes stars" (The Alt) and, most especially as a live performer, she has an authenticity that regularly moves audience members to tears.

She is based outside of Saratoga Springs, NY. She records all her own music at home with her partner/producer Jimi W. and is funded entirely by her community of fans on Patreon and across social media.

Quotes:

"...Tremendous songwriting talent, with the perfect voice to match. It is genuinely hard to walk away from her while she performs; you need only hear about 30 second of her to know she's likely destined for widespread national recognition."

-Nippertown

"This is effortlessly cool. And timeless!...Her voice, the lyrics – all so enticing! And mysterious! Love it!"

-Perez Hilton

"When Arielle crooned "I think I got lost / so I could find you" it felt like more than witnessing just music; we were witnessing a legend."
